Technical drawing of a stepped profile. The profile consists of a vertical section on the left, a horizontal section, a vertical section, a sloped section, and a final vertical section on the right. The dimensions are as follows:

- Total width: 120^{+6}_{-6}
- Horizontal distance from left edge to start of slope: 30
- Horizontal distance from start of slope to right edge: 80
- Vertical distance from bottom edge to top of horizontal section: 45^{+3}_{-3}
- Horizontal distance from left edge to start of horizontal section: 10

The area under the profile is filled with a grid. The grid lines are spaced at intervals of 5 units horizontally and 2 units vertically.
