

[illegible]

Technical drawing of a rectangular frame structure, showing dimensions and labels.

Dimensions:

- Overall width: 2000
- Overall height: 300⁺⁴
- Inner width: 1896
- Inner height: 210
- Top flange thickness: 15
- Bottom flange thickness: 15
- Left flange thickness: 15
- Right flange thickness: 15
- Top flange width: 37
- Bottom flange width: 37
- Left flange width: 4
- Right flange width: 4
- Inner width offset: 11
- Inner height offset: 11
- Inner width offset: 15
- Inner height offset: 15

Labels:

- 1

- 2

Technical drawing of a mechanical part with dimensions. The part is shown in a cross-sectional view with a grid. The overall width is 300 (+4, -4). The overall height is 300 (+2, -2). The part has a complex profile with a vertical section on the left and a horizontal section on the right. The vertical section has a total height of 150, with a top section of 50 and a bottom section of 100. The horizontal section has a total width of 160, with a top section of 74 and a bottom section of 86. The part is made of a material with a grid pattern, and the dimensions are given in millimeters.

A 3D perspective view of a long, narrow rectangular block. The block is oriented diagonally. On its top surface, there are two small, square-shaped features, one near the front-left corner and one near the back-right corner. Dashed lines indicate the internal structure and edges of the block.
